

## This Week.....

This week the children received a letter from Santa asking us if we recognised the building in the picture. It was the Liver Building! We wrote letters back to Santa to tell him that we live in Liverpool and that he saw the Liver Building.

This week we have been learning all about more and one more in our maths. We have completed lots of practical activities indoor and outdoor. We particularly enjoyed playing who had more cakes – the children are very good at comparing quantities.

## Easy Peasy

Don't forget to check out next week's game tomorrow. The children are really enjoying talking about these games and playing them in school too!
