They have been learning about their class flower.

The children have been learning the school rules and have been helping each other.

Wed: Children to attend full day.

If your child is having a packed lunch please remember to label it.

## Magical Moment:

Each week, there will be a Magical Moment Slip on the bottom of this newsletter. We want to hear about your child's successes and achievements outside of school. Please fill it in and return it to school. We will share it with the rest of the class. Some examples: swimming badges, dance trophies, getting dressed by themselves, riding a 2 wheeler bike, writing a shopping list, recognising numbers etc.
