

This Week.....

The children have read the story Dear Zoo. We have written own letters to the zoo asking for a pet just like the story.

In maths we have been exploring the number 7. The children have enjoyed finding different ways to represent 7.

Beatles Day

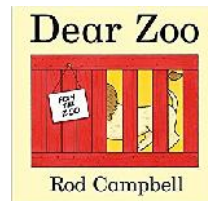

The children looked amazing and they enjoyed learning all about The Beatles. We made fabulous junk model instruments. Check out our pictures on our twitter feed. @listerinfants

Reception Newsletter 7th February 2020

Story of the week

Dear Zoo

Friend of the Week
