

Lister

Infant School

and Nursery

Dear Parent/Carer

We would love it if you could join us to celebrate National Sing Up Day! As one of the only infant schools in the city with the Gold Award, we value singing across the curriculum. Singing is just one of the ways we learn and we sing lots throughout our school day. We are going to showcase our fantastic singing and share with you some of the songs that help us learn. It's an event you don't want to miss - Lister has got talent!

Wednesday 11th March at 2.00pm in the Junior Hall.

We look forward to seeing you there.
