

Coronavirus

Dear Parent/Carer,

I have posted the most up to date advice from NHS England regarding the Coronavirus on the school website. I have also included links to further guidance.

School continues to follow all guidance from NHS England and the DFE which is regularly updated.

As information changes I will keep you informed. This will be via letters, text messaging and the school website.

If you require any further information please don't hesitate to call the school office.

Yours sincerely

Mrs J. Davies
Headteacher
