

17<sup>th</sup> March 2020

Dear Parent/Carer

### **SELF ISOLATION DUE TO CORONAVIRUS**

To support any of our children and families who are currently following self isolation procedures, we have put together a list of online resources for you to access.

These resources include some that the school has already signed up to for your use but also includes others from companies who have extended their free trials.

The links to these resources can be accessed via the homework tab on the school website under the title 'home learning'.

Thank you for your continued support

Yours faithfully

J. Davies  
Headteacher
