

What am I?

You might find me in a woodland or in a park.

I am smaller than a dog but bigger than a robin.

When I hear loud noises, I hide in the trees.

In the winter I hibernate but I'm not a bear.

Though I am small, I'm good at climbing.

I have a beautiful red, bushy tail but I'm not a  
fox.

Sometimes I bury nuts.

**What am I?**
