

Missing You!

Dear 2H and 2W,

How are you? We are missing you lots! We have been busy at our homes planning your learning. How are you finding home learning? We are missing teaching you in the classroom but we know we have to all keep safe for now. It has made us smile to see all the wonderful work you have been doing whilst you are at home. Well done!

Have you been enjoying doing your daily exercise? We have been doing yoga and going on walks to stay nice and healthy. What have you been doing for your exercise?

Make sure you keep behaving well for your parents. Hoping to see you all very soon!

Love from,
Miss Haynes and Mrs White
