Infant School

and Nursery

26.06.20

Dear Parents and Carers,

In line with DfE guidance the school has recently made arrangements for our children from Reception and Nursery 2 to return to school. Whilst we still have some very limited capacity, I would like to find out if there are any parents of children in year 1 who would like their child to return to school this term.

Depending on the uptake, the children may need to return to school on a rota basis which could result in only 1 or 2 days in school.

Could you please complete the Year 1 Return to School Questionnaire on the Parentapp. This can be found under consent forms. I will need all responses by 5pm Monday 29th June. It would really help us if you complete the form even if you do not wish your child to return to school at this present time.

Once I know what the demand for places looks like I will be back in touch with more information.

Please note parents/carers should not feel any pressure for their child to return to school at this present time. This will have no impact on your child's overall attendance record.

Stay safe and thank you for your continued support.

Mrs J. Davies
Headteacher
