Infant School

and Nursery

26th June 2020

Dear Parent/Carer

Over the last few weeks we have been following the DfE guidance on the wider opening of school. We currently have 2 key worker and vulnerable hubs operating. Reception start on Monday 29th and Nursery on 6th July. We are hoping to open to year 1 which will mean we are operating at full capacity so we will be unable to open our offer to year 2.

I know many of you will be disappointed by this news and we wish circumstances were different. **BUT** do you really think we would let you go without saying goodbye???

Sooooooooo we are rolling out the virtual red carpet and inviting our year 2 pupils to a star studded virtual event just for them!

Your child will receive a very special golden ticket to participate in our event, (keep your eyes on the post)! We need them to dress up in their fanciest clothes, brush their teeth until they sparkle and strike a pose! Take a photo of them holding their ticket and send the photo to support@listerdrive-inf.liverpool.sch.uk by Friday 3rd July.

Next, we have given you a designated day/time to come to school to have your graduation photo taken.

2W's day is Thursday 2nd July and 2H's is Friday 3rd July (please see your letter for your designated time)

For safety reasons, please come at your designated time only. The graduation station will be set up outside and each child will have their own gown/hat for hygiene reasons. Please follow the one-way system in place and only 1 adult will be allowed entry with their child. Please adhere to the safety measures for everyone's safety.

You can take photos on your mobile/camera. School will only take a photograph for the virtual star studded event.

Once all photos have been completed, sit back and relax, let us do the hard work and we will send out the virtual star studded event to you by text or on the app so please ensure we have all your up to date information!

We understand that some people may be shielding so if you have any problems/issues with any of the above please ring the office and speak to us. We want to include everyone and to make this a memorable event in your child's life. We are here to help.
