Contact Details

In the interest of your child's safety and well being we need:

- a named adult that can be contacted at all times
- at **least 3** up to date telephone numbers
- a call if your child is absent from school

If there is no contact a home visit will be carried out.

You can apply for free school meals via this link

<https://liverpool.gov.uk/benefits/free-school-meals/application-form/>

Parentapp

The parent app provides up to date important information. If you would like an invite to download the app please call the office on 0151 228 4069

Worried about a child or young person. Call Careline 0151 233 3700

Our Learning Mentor

Miss Clarke is available to talk privately about any concerns. Ring the office on 0151 228 4069

Dear Parent/Carer,

I want to firstly express a warm welcome back to all our children and families and extend a special welcome to the new families who have recently joined us.

When we returned to school this year we really did not know what to expect from our children who have been away from school and the routines for so long. However they have been truly **amazing**. They are a credit to you and I thank you for preparing them so well for their return to school.

There has been a slower return to our usual class timetables but from next week the children will start their P.E lessons. My letter yesterday explained that for this year the children will need to come to school dressed in their P.E. kit. Please see more details about this on the Parentapp message and on the school website under letters.

So far the new start and finish times have worked well. As you know these staggered starts are to avoid any congestion and build up of groups on the playground in order to keep our whole school community safe. Next week we welcome our reception and nursery children back to school and their start and finish time will be 8.45am and 2.45pm. The playground will inevitably become much busier as we welcome another 112 families into the school. For this reason it is really important that all parents and particularly parents from our year one children stick to their allocated time of **9.00am and 3.00pm** to ensure the pathway through is kept clear.

Parentapp

From now on we will not be sending paper copies of letters home . All letters will be sent via the **Parentapp**. Thank you to everyone who has now downloaded the app, I hope you find are finding it useful. There still remains a few parents who have not downloaded it and will need to access letters on the school website. This week Mrs Davidson will resend a link to those parents to access the app. If you experience any problems please telephone the school office on 0151 228 4069.

Flu Vaccination

This week you will have received the letter regarding the flu immunisation programme. Please return your reply slip to school by **Friday 18th September**. The slip needs to be returned whether you give permission or not. The vaccination is only due to take place in November but every child needs to be triaged by the nurses before it goes ahead.

Face Coverings

As we revisit our procedures for the re-opening of the school we have decided that from next week staff will be wearing face shields at the beginning and end of the school day. It is not compulsory for face coverings to be worn by parents as you bring/collect your children however it is something you may wish to consider as we all endeavor to keep our community safe and bring down the transmission rate.

Term dates

New term dates are available on the Parentapp and are also on the website.

Have a lovely weekend everyone.

Mrs Davies

Notice from LCC

Dear Parents/Guardians

It is the start of a new academic year but we are in exceptional times and having to change our behaviour. Due to the Covid 19 you are being asked to social distance and change routine on entering and leaving the school gates. Road Safety is just as important, especially as we get used to those changes in the streets around our schools and if you are driving to the school we would ask you to consider parking in a safe legal place at least **200 metres** away from the school gates and walk the rest of the way. If you can leave the car at home even better. Pavements are for the pedestrians please keep them clear of any vehicles we do not want people stepping out into the road because the access has been blocked.

Monday September 14th - Reception and Nursery start school.

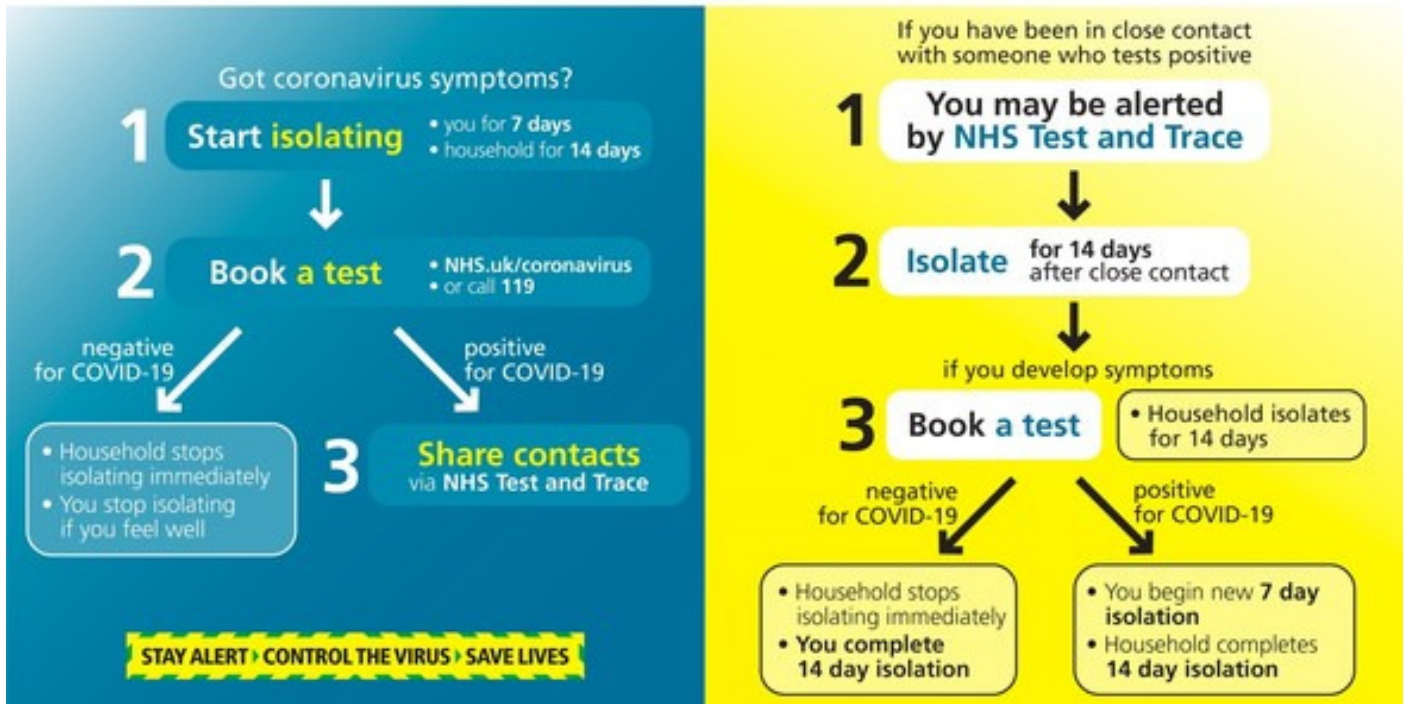

Monday September 14th - Roald Dahl Day

Friday September 18th— Deadline for return of Flu Vaccination forms

Thursday September 24th—Maths Party Day

Friday October 23rd—School closes for half term

Diary Dates

Keeping our hands clean keeps you and me safe from germs

Steps to Handwashing

Wet hands with water

Use soap

Palm to palm

Palm to palm fingers interlaced

Back of hands

Base of thumbs

Fingernails

Rotationally rub wrists

Rinse hands with water

Dry hands thoroughly with towel
