The parent app provides up to date important information. If you would like an invite to download the app please call the office on 0151 228 4069

OUT OF HOURS MESSAGING SERVICE

To ensure the safety of our community we ask that if your child receives a positive COVID-19 test result in the evening or at the weekend please text the out of hours messaging service for the school on **07871782263**. A member of the school team will then contact you for further information. Thank you

Contact Details

In the interest of your child's safety and well being we need:

- a named adult that can be contacted at all times
- at **least 3** up to date telephone numbers
- a call if your child is absent from school

If there is no contact a home visit will be carried out.

You can apply for free school meals via this link

Our Learning Mentor

Miss Clarke is available to talk privately about any concerns. Ring the office on 0151 228 4069

Dear Parent/Carer,

Parents Evening

Due to the current restrictions we are unable to hold our usual parents evening this year. We would however like to let you know how your child has settled in their new class and also give you the opportunity to inform class teachers of any concerns you may have. During the last week of this half term (**Monday 19th October—Thursday 22nd October**) class teachers will book a phone conversation with each family. Information will go out on Monday via Parent App for you to book your preferred timeslot.

Health Week

Next week all classes will be delivering focused lessons on staying healthy. This year teachers will focus on exercise, a healthy diet and strategies to support good mental health and well being. We are also making this our 'Walk to School Week'. We encourage all our families to walk to school where possible.

Black History Month

This week the children have focused on iconic women in Britain.

Whole School 'Together' Project

As our Lister family returned to school this term we have all worked on a project based on the theme '**stronger together**'. The children have used a beautiful book called 'Wonderbird' as the focus for this work and over the next week we will complete our art installation to celebrate the work we have completed. Once completed we will tweet the pictures.

ICT in Year 2

This week Hi Impact visited year 2 once again to train the children to use a new app called Book Creator. We look forward to some wonderful publications from our year 2 children which we will share on Seesaw.

Remote Learning Questionnaire

Thank you to everyone who has completed the Remote Learning Questionnaire. The Questionnaire will close on Monday 19th October.

Homework for year 1 and year 2 will be accessed on Seesaw from this week.

P.E Tracksuits

P.E tracksuits are available to buy from the school office at £19.00 for the set.

Reminder

Just to remind parents that it is **only** children with older siblings that are going into school at the earlier time.

Term Dates

New term dates are available on the Parent App and are also on the website.

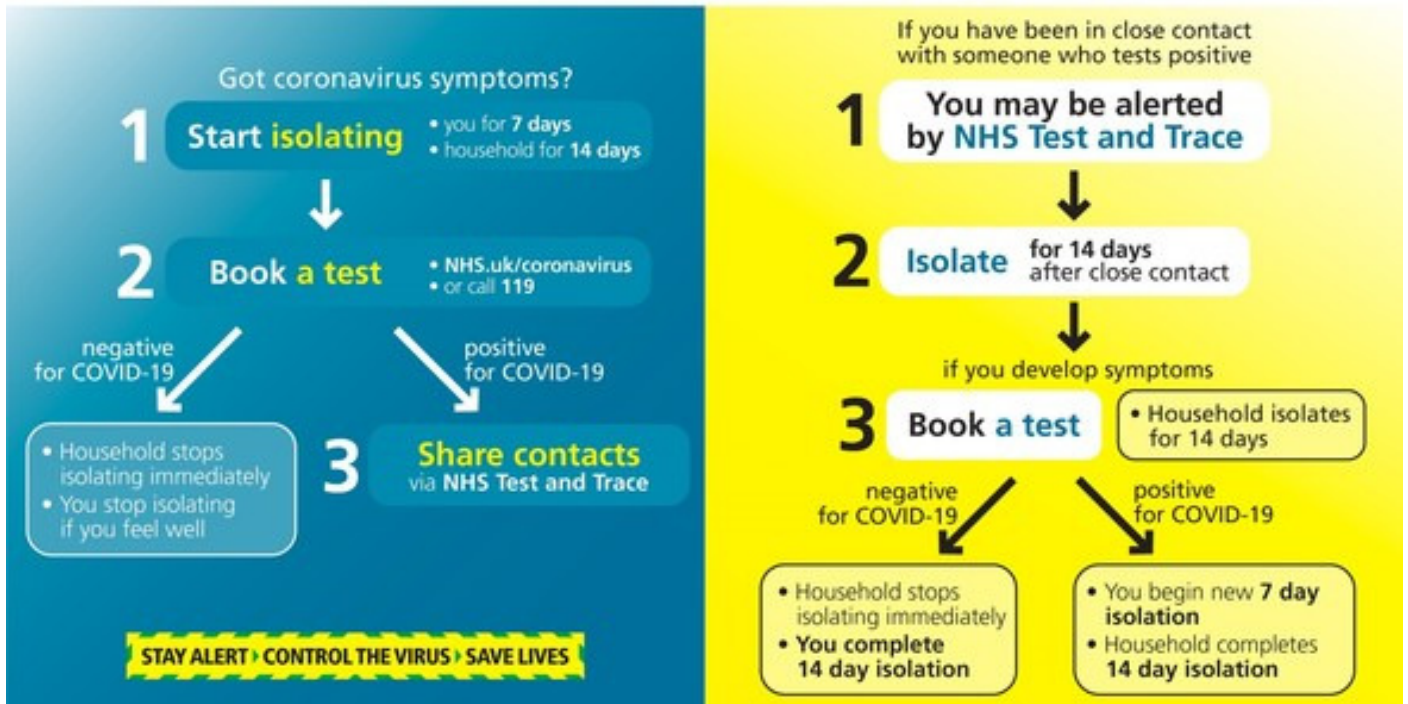

Have a lovely weekend everyone.
