

This Week....

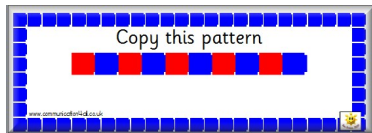

The children have been practising their handwriting skills with our new PenPals programme. The activities are really fun and engaging. We have also learnt 2 new sounds- s and a. The children have been really good at spotting these in our classroom.

In our maths, we have been finding out which hair and eye colour is the most popular in our class. We created class pictograms using our photographs to show this information and we discussed similarities and differences.

Check out our daily tweets on @ListerInf_Rec

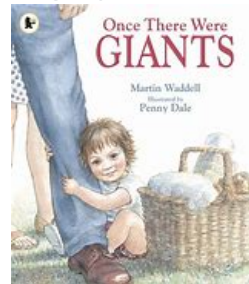

Pattern Challenge

We are learning all about repeating patterns. Can your child create their own pattern at home eg: car, block, car, block.

Reception Newsletter 9th October 2020

Story of the Week

Next week is **Health Week** and the children will be completing lots of activities around physical exercise. They will be choosing a healthy breakfast cereal on Tuesday as part of our healthy food discussion. They will be following simple instructions to measure and serve their breakfast.

If your child has any allergies please speak to a member of staff.

Star of the Week

Bluebells- Logan Bosello

Daffodils- Chloe Feeney

Set 1 High Frequency Words

This week your child will take home set 1 of the high frequency words. Please continue to practise these at home.

Your child has taken home the sounds they have learnt this week in phonics. Please add these to your phonic book and keep this in your child's book bag.

Magical Moment:
