Dear Parent/Carer,

The children had a lovely end to the school week today. They all looked fabulous in their outfits and school was filled with lots of fun, laughter and chatter... just the way we like it. We will let you know how much money was raised for Comic Relief in the newsletter next week.

Miss Kervin has put together a dance involving all children to celebrate us all being back together. This will be available for you to watch on Seesaw and on our Twitter account. We hope you enjoy it.

This afternoon all children were treated to a visit from the ice cream man and enjoyed an ice cream or lolly-ice. Teachers will be posting lots of pictures on Twitter for you to see.

Once again school attendance this week has been **outstanding**. Thank you for all your support with this it really is great news and allows us to really ensure all children are able to keep up.

### Science Week

The children had great fun this week with science, they learned lots of interesting facts and amaze us with their enquiring minds.

### Robotic Toys

Our reception class had a wonderful ICT day with Hi-Impact. They enjoyed a carousel of activities programming and exploring robotic toys.

### Library Books

Today the children will be bringing home a book they have chosen from our school library. This is a book chosen by your child and not a book they are expected to read without support. It is a book to share and should be returned to school each Thursday.

## **Communication**

All school communication will now be sent via the Parentapp. This includes newsletters and any other specific letters. I would encourage you to ensure the notifications for the app are switched on as important communication could be easily missed.

All communication will also be posted on the school website.

The school must have 3 emergency contacts on file for every child. At the moment Mrs Davidson is checking all our records and will be contacting you if we need more.

## **COVID-19**

Covid –19 safety measures and procedures continue. Thank you for your continued support in wearing face coverings on the school grounds—this is really important. We are all hopeful that we are coming through this and no one wants to go backwards so please just keep wearing them until we know it is safe to stop.

## **Birthday Party**

We will hold a party for all children who celebrated a birthday during lockdown on the morning of March 26th. This will be a lovely way to end the term and for all children to celebrate their birthdays with friends.

## **Easter Break**
