

This week Nursery have been learning about the life-cycle of a chick. Nursery were able to talk about the different stages of the life-cycle and also learnt a new called "hatchling." Nursery know that a hatchling is a chick that has just hatched out of an egg. Nursery also draw some wonderful observational drawing of chicks.

This week Nursery also supported Earth Day and learnt about plastic and its impact on our planet. Nursery found out that plastic needs to be recycled or it can be dangerous to wildlife.
