Dear Parent/Carer,

National Mental Health week

This week the children have been learning about the importance of maintaining a strong and healthy mind. The theme for the week has been 'connecting with nature'. The children have enjoyed lots of wonderful activities and made good use of our newly developed forest area.

National Numeracy Day

Wednesday 19th May is National Numeracy Day. On this day every year schools across the country promote enjoyment and confidence in mathematics. This year we are focusing on how maths is used by adults in the workplace. The children will hear from many people including our own staff. Look out for tweets on the school twitter accounts.

Request for Shirts

In June an artist will be visiting the school to deliver painting workshops with all children. The workshops will take place in the Forest School. Miss Kervin, our lead teacher for art has asked for donations of old shirts (oversized) that the children can wear as a painting shirt. If you have anything suitable please just send into school with your child.

World Bee Day Thursday 20th May

To celebrate World Bee Day our fabulous kitchen staff have designed a special menu. This has been sent out on Parent app and is on the school website. If your child does not usually stay for a hot dinner, they may like to try one on this day. Just call the school office on 0151 228 4069 to let us know.

Boys Football

Well done to our year 1 football team who were brilliant in the LSSP Football Festival last week. Mrs Gordon and Mrs Clarke have told me that the boys were a credit to the school. Well done and thank you to all involved.

Term Dates 2021-22

Term dates for the academic year 2021-22 have been sent out to all parents on the Parentapp. They are also available for you to see on the term dates tab on the Parentapp and also on the school website.
