Dear Parent/Carer,

Reception Health Screening

The school nurses will be in school on Tuesday and Wednesday this week to carry out the annual health screening for our reception children. Parents will have already received a letter about this and do not need to attend the school on these days. You will be informed if any follow up appointments are necessary.

National Numeracy Day

Those of you who follow us on Twitter will have seen some of the work all year groups completed on National Numeracy Day. We are delighted that when asked 100% of all children in this school tell us that they love maths. We hope to nurture and strengthen this confidence through secure knowledge of basic skills taught in fun and meaningful contexts. Thank you to all parents who tweeted or messaged us with ways in which maths is used in the home or at work.

World Bee Day Thursday 20th May

All classes received wild flower seed bombs to plant in the class gardens and forest school. The children really enjoyed learning about the importance of bees in our environment and are aware of how we can try to stop the decline of this much needed insect.

Crazy Golf

Next week all classes will enjoy a fun afternoon where they will take part in a crazy golf competition. We hope the children enjoy this as we come to the end of this half term.

Boccia Competition

Next week some of our year 1 children will take part in a Boccia Competition organised by the Liverpool Schools Sports Partnership (LSSP). Parents of children involved will be informed.

Birthday Celebrations

End of the month birthday celebrations will take place on Thursday afternoon. We intend to continue these celebrations until the end of this academic year. This will ensure all children have had the opportunity to celebrate their birthday with their classmates.

Term Dates 2021-22

Term dates for the academic year 2021-22 have been sent out to all parents on the Parentapp. They are also available for you to see on the term dates tab on the Parentapp and also on the school website.

COVID-19

Covid –19 safety measures and procedures continue. Thank you for your continued support in wearing face coverings on the school grounds.

Yours faithfully,
