

This Week....

We have had a really busy week in school. We have loved being outdoors and have enjoyed learning in the sunshine. This week we have learnt all about mini beasts and their features. We are lucky to have even spotted some mini beasts around our outdoor environment! We have categorised them into mini beasts with legs and no legs! Ask me about my favourite mini beast at home!

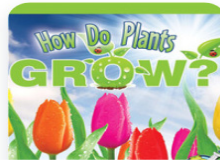

We have been really impressed with the children's spelling and writing this week. They have impressed us with their list 1 spellings. Keep practising!

In maths we have been looking at the teen numbers 16-20. We have been making these using tens frames and representing the number in different ways.

Reception Newsletter 18th June 2021

This Week's Book

Water Bottles/ Sun Cream

As the weather is improving, just a little reminder, can you please remember water bottles and apply sun cream to your child before school. They can bring some sun cream to apply at lunchtime if required. Thank you.

Big Cat Collins

Don't forget to log in to Big Cat Collins and check out your child's new reading book. We assign books regularly and the previous books remain in your library so you can re-read them again.

Please let us know on Seesaw how they get on reading with you at home. We are very proud of the progress the children are making.

Thank you for all your support!

Homework

This week your child has list 2 of the high frequency words to practise spelling at home. Please log into seesaw to find the list. Thank you.

Star of the Week

Bluebells: Edie Poole

Daffodils: Evelyn Clancy

Don't forget to share your child's learning at home with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
