Mandarin Lessons

On Monday children in year 1 and year 2 will begin Mandarin lessons. We are excited to be working in partnership with the Belvedere Academy as mandarin becomes an exciting addition to our school curriculum.

Roald Dahl

On Monday 13th September we will be celebrating national **Roald Dahl Day**. On this day activities have been planned for every class to teach them about Roald Dahl, his wonderful stories and the characters he created in his books

New Children

We welcome all our new children and families. It has been wonderful to see how well the children in nursery and reception have settled. Next week we look forward to welcoming our Little Treasures.

Just a reminder that the times for Reception drop off and pick-up will be the same as the rest of the school from next week:

Start 8.50am

Finish 3.00pm

Author Visit

On September 20th we have an author visit to the school. The author is Brian Abram, a children's author from Halifax. Brian is disabled and a full-time wheelchair user. His stories, 'The Adventures of Grandad Wheels!' are based on the silly things he gets up to with his Grandson Charlie.

During his visit the children will get the opportunity to purchase a signed copy of his book. On Monday a letter will be sent home giving further information about the visit and how you can order books.

PE Kits

Children can wear their PE kits to come to school on the days they have PE.

School PE tracksuits are available to buy from the school office.

PE Days:

Y1 and Y2 - Monday, Wednesday, Friday

Reception - Tuesday

Parent Governor

We now have vacancies for two parent governors. Next week a letter will be sent home giving further information for any parent who would like to become involved in the school in this way.

Flu Immunisation

We will shortly be posting a link for parents to upload consent for the flu vaccine. This is aimed at children in Reception, Y1 and Y2. Please keep a look out for this important information.

One Way System

Please keep to the one way system when entering and exiting the school. This will help to avoid congestion on the playground and reduce close contact between adults.

COVID-19 Update

Liverpool City Council has issued a really useful document for FAQs. The document gives guidance to parents on the most up to date rules for COVID-19. Letter to follow on from this newsletter.

ParentApps

If you haven't already done so then you will be invited to join ParentApps - this is the way forward for us to communicate between school and parents. This app is a useful tool which gives instant information such as letters, newsletters and term dates. If you are new to the school, you will be sent a link to download the app. Should there be any difficulty then a member of the office team will be available to help.

ATTENDANCE

Well done to all classes with attendance over 96% this week. The two classes with the best attendance this week enjoyed their silent disco treat this afternoon.
