

What a fantastic week we have had in Nursery! We have been so busy. We have really enjoyed engaging in our Autumn themed activities, don't forget to check our Twitter page to see our wonderful week.

In Maths activities we practiced our counting skills and loved joining in with our rhyme of the week- ask your child to sing this to you!

We created some lovely stories based on 'We're going on an Autumn Hunt' with our Autumn treasures we found at the weekend.

The creative area was popular printing and rubbing with a range of leaves and talking about colours in nature.

Story of the Week

Rhyme of the Week

(Tune to 5 Little Ducks)

5 little leaves on an Autumn day
We're dancing around on the
tree one day
The wind came blowing through
the town
Whooooo whoooooo
And 1 little leaf came tumbling
down.

Parents Evening

This year our parent's meeting will take place virtually via School Cloud. Please book in an appointment with Miss Daniels and Miss Manley (Wednesday 20th October or Thursday 21st October). We look forward to discussing your child's transition into Nursery and their achievements so far.

Homework

We have been learning lots of new naming words related to the season Autumn, such as conkers, acorns, pine cones, twigs and leaves. We have also used some describing words such as spikey and shiny. This weekend play a game of 'What am I?' using the photographs we have sent home with your child. Log into seesaw to watch a video of how to play the game. We would love to see a recording of your game with a gown up too!

Have a great weekend!

Magical Moments

If you would like to share your child's learning and achievement's at home with us, you can do this by uploading photographs or video recordings to Seesaw. Thank you!
