

We have really enjoyed our story of the week 'Anna's amazing multi-coloured sunglasses'. We even had our own amazing glasses and saw everything turn to blue, green, red, yellow and purple. It was so much fun and there was lots of talk about what we could see!

Our observational drawing skills are getting better. On our Notice Nature day we observed trees in the garden- our drawings were great.

We also enjoyed creating some beautiful rice rainbows.

Homework Challenge!

Next week we are starting to learn about the changes in season and all things Autumn. We would love for you to find some Autumn items if you go for a walk or to a park, these could be leaves, conkers or acorns. Please bring them to Nursery to place on our Autumn investigation table. If you would like to share your Autumn walk with us take a photograph and upload it to your child's seesaw- we would love to see it! Thank you!

Learning Journals

You will have received your child's log in details for their online learning journal on Seesaw. If you need any support with using Seesaw please refer to the step by step guide or alternatively see a member of staff, we are happy to help. Can you please return your child's consent form regarding group photographs as soon as possible – thank you to those who have already returned them. We hope you enjoy seeing your child's 'wow' moments and their learning in Nursery.

Magical Moments

If you would like to share your child's learning and achievement's at home with us, you can do this by uploading photographs or video recordings to Seesaw. Thank you!
