

This Week....

We have had another busy week in Reception this week. Our spooky Halloween continuous provision has been a real hit with the children. They made some wonderful potions in the water area, using their reading skills to follow the recipes! The spider's web funky finger activity caused lots of giggles as the children tried to collect the correct amount of baby spiders without waking the big spider sitting on the web! Check out the pictures on Twitter. @ListerInf_Rec

In our Phonics lessons and this week we learnt the phonemes h, b, f, l. Can they spot these at home?

In our maths, we have been learning all about the number 1. We have been finding the number 1 in our environment and have been practicing writing it!

This week we continued with our Music sessions and enjoyed finding the pulse to the song 'Happy' by Pharrell Williams. We are getting more accurate! (Pulse is a **steady beat** like a ticking clock or your heartbeat.)

Reception Newsletter 22nd October 2021

Word of the week

The children carried out their own science investigation to find if the tallest person in our class also had the biggest feet. Ask us what we found out!

Check out Seesaw for our Harvest Festival. We loved retelling the story of the Little Red Hen.

Star of the Week

Congratulations to our Star of the Week!

Bluebells: Hollie Mawdsley

Daffodils: James Zhou

Well done!

Happy Half term

We are so proud of our reception children. They have settled so well and are making great progress. Have a great half term. Stay safe.

Enjoy your half term and make sure to keep us updated on all your fun activities through Seesaw!

School reopens on Monday 1st November at 8:50am

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
