

## This Week...

Wow! What a great week! The children have really enjoyed playing in our new continuous provision. Following on from Road Safety week last week, the children have designed their own High Visibility Vests. They have also had lots of fun adding the correct amount of pompoms to the Liver Birds in our funky finger challenge area and fishing for the correct amount of sea creatures in our miniature River Mersey.

Check out all the fun we have had this week in our continuous provision on our Twitter page @ListerInf\_Rec

We have continued with our daily Phonics lessons and this week we learnt the digraphs, sh, th, ng, nk. We have also been practising our tricky words, go, no, to, into, she, push, he, of.

In our maths, we have been exploring the number 5. We have been finding the number 5 in our environment and talking about the different ways we can make it.

In PE we enjoyed taking part in relay races for the first time. The children listened to the instructions carefully and showed great skill and teamwork!

## Reception Newsletter 26<sup>th</sup> November 2021

### Story of the week

### This half term our topic is **'In My Liverpool Home'**

This week Father Christmas wrote a letter to our class. He asked us if there were any famous landmarks in Liverpool that would help him know he was in the right place. The children wrote letters back to tell Father Christmas all about the Liverpool Landmarks.

## Star of the Week

Congratulations to our Star of the Week!

**Bluebells:** Iman Dar

**Daffodils:** Belle Barrett

Well done!

## People Who Help Us!

Reception enjoyed a visit from the police this week. Our Local Community Officer came in to school to talk to us about the role of a police officer and how they keep us safe. Following on from Road Safety week last week, the Community police officer also spoke with Reception about crossing roads safely.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see them practising their phonics, numbers or reading. Have they learnt to ride their bike? Have you visited places in Liverpool that we can use in our topic work? We love to find out what you have been up to at home!
