The Lister

Respect for All. Learners for Life

Our school value for this half term:
'Kindness'

'Kindness is a gift everyone can afford to give'

17th December 2021

Happy Christmas

The staff at Lister Infants would like to thank all our families for their very kind gifts and wish you all a very happy and peaceful Christmas. **Tuesday 21st** is Party Day - we finish for the Christmas break at **1.15pm**. We look forward to seeing you on **Wednesday 5th January** at **8.50am**.

Christmas Activity Day

Unfortunately we are unable to hold our traditional Christmas Fayre which is always such a lovely community event and raises invaluable funds for our school. Each year we rely on these funds for all the extras that we purchase for the children. This year we will hold a fun activity day on 20th December and we ask for a donation of £2.00 per child which will help with our school funds.

Christmas Carols

Thank you to all the parents who attended the outdoor Christmas Carols event for each class. It was lovely to give the children the opportunity to perform for their families. Filming of the performances will be uploaded to Seesaw for family to view but please do not share to social media.

Y2 Swimming

Children in Year 2 will be starting their swimming sessions on **Tuesday 11th January 2022**. Children are to come to school wearing their swimming costume underneath their school clothes and bring underwear with their towel in a bag (**school does not have spare towels**). Girls are to wear a one-piece bathing suit and boys are to wear swimming trunks. Swimming caps **must be worn** by all children. Further information will be sent home after the holidays.

Extra Curricular Clubs

After Christmas we will be starting our Monday Extra Curricular Clubs. Spring term clubs will be for Y2 then Y1 clubs will follow in the summer term. Details will go out the first week back after Christmas.

Parent Survey

As we come to the end of our first term, we would love to hear your feedback. If you get a chance, please complete the school questionnaire on the surveys tab on ParentApps. Thank you.

Covid Guidelines

The advice given is if your child develops any COVID symptoms then please seek a PCR test. Other members of the family no longer have to isolate but it would be advisable to take regular lateral flow tests. To protect our whole school community we are asking everyone to still adhere to the one way system and also asking parents to keep a 2m distance from the classroom door to protect all our children and staff.

Face Masks

As we approach Christmas and in line with the new government guidelines, please remember to wear a mask on the school grounds.
