

This week has been so busy in Nursery!

The children were really good at retelling our story of the week 'The Shopping Basket' and remembering the items they had to buy. We used paint and printed with a range of food items, exploring shape, size and finding out what is inside fruit and vegetables when they are cut. We also practised our counting skills using the real items from the story.

To support Children's Mental Health Week we read a range of stories to help us understand feelings, enjoyed fresh air and mindfulness time. The children made some beautiful sensory bottles too.
