# The Lister

Respect for All. Learners for Life

Our school value for this half term:  
'Honesty'

'Honesty doesn't always pay but dishonesty always costs'

11<sup>th</sup> March 2022

## Ali Harwood

On Thursday 17<sup>th</sup> March we have an author visit from Ali Harwood who worked with the children last half term. Ali will be performing some poetry from his book for parents and children and he will be signing copies of his books, 'Liverpool Liver Birds' (all about the heritage of Liverpool) and his colouring book with beautiful detailed images of Liver Birds. We are very fortunate to be able to sell both books at a discounted price of £5 each. This event will take place outside the Infant Office at 3pm. If you would like to buy Ali's book in advance, please complete the form attached to the letter that was sent home with the children and nominate whom you would like the book dedicated to. Alternatively books will be available to purchase after school on Thursday 17<sup>th</sup> March from 3pm whilst stocks last.

## Science Week

The children all enjoyed National Science Week! They had to become forensic scientists and worked together with their classmates to investigate the crimes that had been committed. The investigations allowed the children to practice science skills such as observing, exploring and asking questions which all helped to piece together the evidence. Check out Twitter for pictures!

## Neurodiversity

Over the next 2 weeks we will be exploring and celebrating neurodiversity. Neurodiversity is the concept that we are all different and have different strengths and weaknesses with our brain. We will explore some of the conditions that come under the umbrella of neurodiversity eg ADHD, autism, dyslexia etc. Exploring how we are all different and amazing and how we can help and support each other.

The children will be creating posters to support the opening of our ADHD Foundation Neurodiversity Umbrella Project to help breakdown stigmas and celebrate the beauty and value in thinking differently. We can't wait to share this with you at the end of our 2 weeks.
