

This week, as always, we started off with story time. During story time we listened to the story 'Rosie's Walk'. Following on from our carpet time discussion we developed our positional language and challenged each other to place Rosie in different positions on the farm. We also thought of a new hazard for the fox!

During outdoor play we wanted to become Rosie and walk around our own obstacle course. Following instructions, we moved in different ways just like her.

Chick News...

We have been so lucky caring for our 6 chicks this week. All 6 that hatched are boys, please see the homework challenge this weekend. We learnt about the life cycle of a hen and had our photographs taken with them too.
