

This Week.....

We have enjoyed another busy week in Reception. This week we had a mini topic all about 'Australia'. We used our enquiry question to start our topic work. 'Can you ride a bicycle to Australia?' We located Australia on a world map and found that because it is so far away we could either travel there by air or water.

We enjoyed making our own passports and writing about our personal information such as name, age and where we live. The children then enjoyed using these to virtually travel down under to Australia. We made sandwiches to take with us and we enjoyed these on Bondi Beach. We then took part in aboriginal dance!

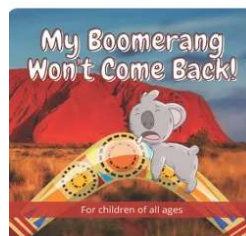

In maths we have been learning all about the composition of 8 for example, 7 and 1 makes 8. The children have enjoyed finding different ways to make 8. Challenge at home – can you use two different sets of toys to make 8 – show us on Seesaw!

Reception Newsletter 20th May 2022

This Week's Book

Daffodils Class Assembly

Thank you for coming to watch our assembly. We hope you enjoyed it! Check out Seesaw to view it! Well done Daffodils – you did a super job!

Star of the Week

Congratulations to our Star of the Week!

Bluebells: Hallie Shaw

Daffodils: Harry Schears

Next Week

We are going to be learning all about the Queen's Platinum Jubilee. We will be having lots of fun learning all about the Queen, make sure you check out our twitter page.

We will be finishing off the week with a garden party on Thursday 26th May. The children are invited to come to school wearing the colours red, white and blue.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
