

Welcome back everyone, we hope you had a lovely half term.

Our topic this half term is 'Opposites Attract'. We will be learning all about opposites and this week our activities have been planned around big and small, tall and short. We have sorted big and small objects, measured ourselves, ordered different lengths and measured tall and short flowers.

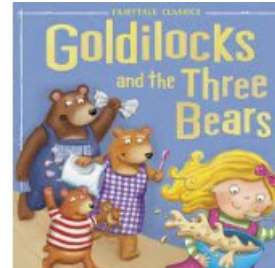

One of our stories this half term is 'Goldilocks and the Three Bears'. We really enjoyed this story, it helped us with the language of size and our new role play area has been busy too- the bears cottage. There was some great role play and Daddy Bears!

The Story Barn

We had a lovely story session with staff from Calderstones Park The Story Barn 'The Storyhunters'. They read Little Red Riding Hood and we sang some of our favourite Nursery Rhymes.

Story of the Week

Rhyme of the Week

Jack and Jill went up the hill
To fetch a pail of water;
Jack fell down and broke his crown,
and Jill came tumbling after.

Sunny Weather

We have a lot of outdoor learning, and now the weather is beginning to get a little warmer and sunnier, can we please ask for caps or sunhats to be brought to school in your child's bag.

Sun cream is to be applied before school too.

All children are offered milk during snack time. They also have the opportunity to drink from their water bottle throughout the day too and are topped up if needed.

Magical Moments

If you would like to share your child's learning and achievement's at home with us, you can do this by uploading photographs or video recordings to Seesaw. Thank you!
