

This week Nursery have been reading a story called Jasper's Beanstalk. During Welly Wednesday the story inspired the children to plant their own runner beans and peas. The beans and peas were planted into clear plastic cups so that children can make observations on how these will grow.

The children have also been making beautiful observational paintings and drawings of sunflowers to help them to become familiar with naming the different parts of a plant.

This week the children have also been using the balance scales to learn about the opposites this week which were heavy and light. The children were able to find objects in the nursery and identify whether they were heavy or light by using the balance scales.

Sun Hats and Sun Cream

Please let your child bring in a sun hat, sunglasses and sun cream to protect them from the sun when they are outside.

Magical Moments

Rhyme of the Week

12345 Once I Caught a Fish Alive

1, 2, 3, 4, 5,
Once I caught a fish alive.
6, 7, 8, 9, 10,
Then I let it go again.
Why did you let it go?
Because it bit my finger so.
Which finger did it bite?
This little finger on my right.

Homework

This week the children have been learning how to use the green screen and retold the story called We're Going on a Bear Hunt. Try making some story props at home and ask your child to retell the story to you too.
