The Lister

Respect for All. Learners for Life

Our school value for this half term:
'Respect'

'Respect - you have to give it to get it'

9th September 2022

Welcome Back

Welcome back to all our families and children. It is lovely to see all the children once again after the long summer break. They have all grown so much and look so smart in their new uniforms. Also welcome to all our new children who have started or will be starting in the Foundation Stage. All children have settled extremely well and I hope they enjoy many happy and rewarding years in our school.

Roald Dahl

On Tuesday 13th September we celebrate national **Roald Dahl Day**. On this day activities have been planned for every class to teach them about Roald Dahl, his wonderful stories and the characters he created in his books

International Dot Day

On Thursday 15th September we will be celebrating International Dot Day. The author Peter H. Reynolds released the book "The Dot" on the same day in 2003. In the story, Vashti felt like she couldn't draw - but her art teacher wouldn't accept that. The teacher said "Just make a mark, and see where it takes you." So Vashti marked her parchment paper with a small dot. The next day, Vashti was surprised to see her dot on the classroom wall. She was so proud of her work that she started creating drawings with different kinds of dots. A dot may be small but it's a powerful way to show your unique individuality and creativity. The children will be working on art projects based on the book which will teach them all about growth mindset.

Cool Milk

If your child is over 5 and you would like them to have milk in school then please follow the online instructions to register and make payment. If you are entitled to benefit related free school meals then your child will automatically receive free milk. Please see a member of the office staff if you would like further information.

Brilliant news! Our attendance for this week is fantastic! Punctuality has improved too so well done everyone - we will be introducing a 'late gate' system next week to ensure that all children are in school, on time every day and are accessing the full curriculum.

ParentApp Connect

If you haven't already done so then you will be invited to join ParentApps - this is the way forward for us to communicate between school and parents. This app is a useful tool which gives instant information such as letters, newsletters and term dates. If you are new to the school, you will be sent a link to download the app. Should there be any difficulty then a member of the office team will be available to help.
