Children's Mental Health Week 2023 will take place from 6-12 February 2023. This year's theme is **Let's Connect**.

Human beings thrive in communities, and this connection is vital for our wellbeing, and our survival. When we have healthy connections - to family, friends and others - this can support our mental health and our sense of wellbeing. The children will be completing a range of activities in school to support their well-being. Check it out on Twitter!

Thursday 9<sup>th</sup> we will be celebrating 'Inside Out Day'. We are asking all members of the school community to wear their jumper/cardigan inside out to show their support (children should come to school as usual in their uniform and the staff will help to turn their clothing inside out) We wear the item of clothing inside out to remind us that how someone looks on the outside doesn't necessarily reflect how they are truly feeling on the inside, so it is important to always be kind and think of others.
