Boots Opticians

Boots Opticians came into school on Tuesday to do various workshops with the children. There were lots of different activities taking place but most importantly the children learnt all about which foods are important for eye health. The people running the workshops commented on how well behaved and polite the children were at Lister - well done children we are very proud of you.

Pupil Premium

Thanks to all those parents who have already filled out a form, this really helps school obtain funding for extra curricular resources. Reminder - if you think your child may be entitled to pupil premium please come along to the school office for a form or alternatively go to a One Stop Shop - you will then be automatically entered into a prize draw. Forms are to be filled out by Friday 11th November and the draw will take place on Monday 14th November.
