

Children's Guide to Marking

Marking helps me to:

- Understand what I have done well .
- Understand how to make my learning better.
- Tell me what my next steps are .

Teachers use symbols and colours to help me understand their marking. These are:

Tickled Pink- I have got something right.

Green to Grow- I need to check my work and improve.

I have got something right.

My next steps. Something I need to work on.

Sp I need to practise spelling this word.
