

Stranger Danger

The children enjoyed meeting our local Police officers who talked to the children about **Stranger Danger!**

"A stranger is somebody you don't know at all or someone you don't know very well."

"A stranger can be a man, woman or teenager. Any size, age or colour. They don't all wear black shoes and huddies!"

"Is a stranger always a bad guy?"

**Remember strangers can
appear to be nice and
try to be your friend.**

The children read a traditional tale about a little girl and a stranger and they discussed what she should and shouldn't have done.
