EQUALITY DUTY

Respect for All. Learners for Life.

Safe and Happy School**OVERVIEW**

Our school is committed to equality both as an employer and a service-provider. We welcome our general duty under the Equality Act 2010 to eliminate discrimination, to advance equality of opportunity and to foster good relations, and our specific duties to publish information every year about our school population; to explain how we have due regard for equality; and to publish equality objectives which show how we plan to tackle particular inequalities, and reduce or remove them. We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

AIMS

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

STRATEGIES

In our school:

- We try to ensure that everyone is treated fairly and with respect and that our school is a safe, secure and stimulating place for everyone.
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them all exactly the same.
- We recognise that for some pupils extra support is needed to help them to achieve and be successful.
- We try to make sure that people from different groups are consulted and involved in our decisions, for example through talking to pupils and parents/carers, and through our School Council.
- We aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age; any disability they may have; their ethnicity, colour or national origin; their gender; their gender identity or reassignment; their marital or civil partnership status; being pregnant or having recently had a baby; their religion or beliefs; their sexual identity and orientation.
- We set our Accessibility plan objectives for a 3 year period and review the progress annually.

Part 1: Information about the pupil population

Number of pupils on roll at the school: 223 (including Little Treasures Nursery)

Information on pupils by protected characteristics: The Equality Act protects people from discrimination on the basis of 'protected characteristics'. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment.

Disability: The Equality Act defines disability as when a person has a 'physical or mental impairment which has a substantial and long term adverse effect on that person's ability to carry out normal day to day activities.'

OUR MAIN EQUALITY CHALLENGES

This is a summary of the issues that we are most concerned about.

We have already developed strategies and interventions to tackle these concerns and are monitoring their impact closely as part of our regular monitoring cycle in school.

Attainment of all groups, particularly boys.

We are prioritising closing the in house gap of attainment for all groups, particular focus on boys.

HOW WE HAVE DUE REGARD FOR EQUALITY

The information provided here aims to show that we give careful consideration to equality issues in everything we do. Schools are required to have due regard to the need to eliminate discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act 2010

- We are aware of the requirements of the Equality Act 2010 that it is unlawful to discriminate, treat some people less fairly or put them at a disadvantage.
- Where applicable our policies make explicit that we aim to give careful consideration to equality issues and as policies are reviewed in line with the monitoring cycle they will be edited to reflect this requirement
- We try to keep an accurate record, when possible and appropriate, of the protected characteristics of our pupils and employees at whole school and year group levels.
- We analyse our data to ensure we act upon any concerns in relation to the protected groups and this is reported termly to Governors.
- We record any racist or homophobic incidents and act upon any concerns and report this to the LA and the Governing body on a termly basis.
- The Leadership Team of the school is concerned with closing in house gaps, this is reflected in the school's values.
- We give due regard for equality issues in decisions and changes we make.
- We deal promptly and effectively with all incidents and complaints of bullying and harassment that may include cyber-bullying and prejudice-based bullying related to disability or special educational need, ethnicity and race, gender, gender reassignment, pregnancy or maternity, religion and belief and sexual orientation. We keep a record of all such incidents and notify those affected of what action we have taken and importantly monitor the impact our provision has had.

HOW WE ADVANCE EQUALITY OF OPPORTUNITY AND FOSTER GOOD RELATIONS
