

Thank you Key Workers!

Keepp going, you are doing an amazing job!

Everyone is so proud of you.

You truly are heroes!

We will clap for you each week to show how grateful we are.

Often you put others first to keep us safe.

Remember this will all be over soon.

Keepp smiling and look after yourselves too.

Everyone is supporting you.

Rainbows are in our windows to show we care.

Stay safe and be strong.
