

07.07.20

Dear Parents/Carers,

We are looking at the possibility of opening our Breakfast Club and After School Childcare in September. We would like to offer this service as we support our families in their need to return to work.

In opening this provision we need to adhere to Dfe guidelines and where possible maintain the integrity of the 'bubble' model implemented in school.

In order for us to plan this in a safe and controlled manner please inform the school office to reserve a place. (Infant School, 0151 228 4069. Junior School 0151 228 4169).

Please note both Breakfast Club and After school Club will **only** be open to working parents at this time. Breakfast Club continues to cost £1.00 per day to support staff costs. After school provision costs £8.00 per session and closes at 5.30pm.

Anyone wishing to use either club **MUST** pre book as places will be really limited.

Yours sincerely,

Mrs J. Davies  
Head Teacher, Lister Infant School

Mr S. King  
Head Teacher, Lister Junior School
