

07.07.20

Dear Parents/Carers,

Firstly, I hope that this letter finds you and your family safe and well.

At this time of year we would usually be busy in school preparing all the children for transition to their new classes. As we are unable to do this with the children this year we have prepared other resources which we hope will help them as they prepare for the next stage of learning.

Under the Class Pages tab on the website each year group is currently in the process of posting a virtual tour of their classrooms (nursery, reception and year 1 are already there, year 2 will be on by Friday). Please spend time watching the video with your child as their new class teachers show the children around their new classrooms and also talk through the daily routines. Please note the Junior school is currently preparing something for year 3, this will go out to parents of children in year 2 later this week.

Your child's class report is now ready to collect from the school office. To ensure we are able to organise this in a safe way we have given each class a specific time slot for collection. If your child is now attending school they will bring the report home with them. When you collect the report parents of children in the reception and year one classes will also be given a year group information book and there will also be a small gift for your child from their teacher. If you are unable to collect the report from the school please just call the school office on 0151 228 4069 and we will ensure it is posted out to you.

We are planning for all children to return to school in September. Next week I will write to you again when I am able to provide further information on this.

Please see information on next page which gives details of class teachers for next year and also time slots to collect reports.

Thank you for your continued patience and support,

Yours sincerely,

Mrs J. Davies  
Headteacher
