Sport Premium Report and Impact

September 2019- July 2020

Planned Expenditure for September 2020-July 2021

Sport Premium Statement

The Government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding of £150 million per annum was made available for the academic years 2013/4, 2014/5 and 2015/16. The Government have continued this funding until 2020 and have recently announced funding will be available for the academic year 2020-2021. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

At Lister Infant School we believe that sport plays an important part as it contributes to the health and well-being of our children. Sporting excellence and participation, alongside strong cultural opportunities, go hand in hand with academic standards. A high quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically demanding activities. It provides opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

Vision

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport

Objective

To achieve self-sustaining improvement in the quality of PE and sport in primary school leading to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

PE Curriculum

A wide range of activities are delivered in school which aim to engage and inspire all children. We are also committed to ensure that all children receive at least two hours per week of high quality well-planned PE and physical activity. Over the year each child will participate in games, athletics, dance and gymnastics lessons. Opportunities are also planned for swimming in Year 2 where children are coached by specialist swimming coaches. (Please refer to the year group pages of the website for more details of PE lessons taught each term.)

The Wider Curriculum

PE and sport has a very high profile in our school and permeates many aspects of school life. In the summer term we hold our annual Sports Day in which we encourage participation of all children and organise competitive races for pupils. In order to include all, we plan for some events to be fun based whilst others are skill based.

Each day, the children are encouraged to join in with Super Movers aerobic sessions which increases children's activity and fitness levels so that they are ready to learn. Every other year school participates in the Sport Relief mile run, where all our pupils learn how to train and persevere to achieve a goal. We encourage all pupils to participate by walking, jogging or running the mile. This is a big school event with training sessions built in prior to the event. Building on the success of Sport Relief, Lister Infants participates in The Daily Mile where all children participate in running or jogging around the playground at least three times a week to support physical development and aid wellbeing.

Other agencies are used to enhance the variety of activities available and we take full advantage when these opportunities become available. For example school links with Vagabonds Tennis Centre which is a local tennis club in the area. The pupils participate in tennis sessions and children are encouraged to try the club by receiving a free session voucher. Talented children are signposted to local clubs and events to encourage them to develop their skills. We work closely with partners such as LSSP, Little Sports Coaching, LSFA and Y Sports to ensure our children receive the best physical opportunities and participate in all available competitions.

Academic Year: 2019-2020 Expenditure

There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Following on from term one's Change for Life group, many of the group attended extra-curricular clubs and have now developed their confidence further by representing the school in inter school competitions.</p> <p>As a result of LSC running More Able PE sessions there are more children reaching GD in PE. E.g. In Year Two the % of children working above expected rose from 25% at the beginning of the year to 30% in term two. More able sessions have aided in increasing the number of girls working at greater depth. There were 19% of girls achieving GD in term one and this has rose to 29% in term two.</p> <p>As a result of high quality playground activities the children have access to high quality, fun</p>	<p>lunch times.</p> <p>Coach Tobias will support the school next year providing extra physical education lessons for KS1 and Nursery children and he will continue to provide Change 4 Life Club and a more able and talented classes for girls and boys.</p> <p>New children will be trained by staff to be playground buddies to develop leadership roles and to promote being physically active on the playground.</p> <p>The Daily Mile will continue to run from term one next academic year.</p> <p>The playground will continue to be zoned into different activities lead by play leaders, coaches and buddies.</p>

			<p>and engaging activities promoting fundamental movement skills. The children are able to work in a team or beat personal bests in small competitions. We have playground buddies who have taken on leadership roles on the yard each day to promote physical activity. The children have developed their physical skills and character building skills such as sportsmanship and determination. This has reflected in the number of children working at expected level and above in KS1 increasing. School found there were fewer accidents occurring on the yard and overall behaviour improved as most children were engaged in physical activity. Pupil voice showed excellent attitudes to playground activities and the children are keen to come to school each day.</p> <p>Pupil attitude to physical activity is highlighted through those accessing extracurricular physical activity in a range of activities</p>	
--	--	--	---	--

			<p>All children have been involved in 15 minutes extra physical activity on at least three days each week.</p> <p>Lister Infants was selected to be the flagship school for The Daily Mile in Liverpool and to support other schools looking to join. The staff and children were filmed completing the mile and they were interviewed. This has been published on their website to support other schools.</p> <p>The playground has been split in to zones to support high quality play lead by coaches, play leaders and buddies. This has resulted in more children engaging in activities contributing to healthier lifestyles. New Playground equipment bags have been purchased to ensure high quality resources are available to our staff and pupils.</p>

The assemblies will also be used to share sporting results of competitions, promote after school clubs, playground buddies and sport related weeks and competitions such as The Daily Mile and Health Week. News is also communicated through the school website, newsletter and Twitter.</p>	<p>equipment £200</p> <p>£0</p>	<p>Due to Covid-19 there was no Sports Day this academic year. The money was used to support outdoor PE lessons. A virtual sports day was shared with the children and their families.</p> <p>All pupils attend a weekly celebration assembly. Pupils understand the sporting opportunities available to them and have shared clarity on why we are involved in local and national events. Parents have attended class assemblies throughout the year.</p> <p>Pupils are very proud to be involved in assemblies and team photos are shared on the school website and Twitter which is positively impacting their confidence and self-esteem.</p>	<p>Sports Days will continue for each year group next year and we will continue to work in partnership with Lister Juniors to support young leaders as long as it is safe to do so.</p> <p>To continue sharing sporting news and sporting opportunities next year during weekly assemblies, Twitter, the school app and the school website.</p>
