### Act of Kindness

Well done to Florence in year 2 who kindly donated some of her hair last weekend. This was a wonderful act of kindness that will help other people. Well done Florence we are all very proud of you and we think your new hairstyle really suits you.

### School Recycling Project

Today our assembly focused on the importance of protecting our environment. The children learnt that one of the ways they can help with this is through recycling. Each class has been given a bag to collect materials that can be recycled. These include; newspapers, mixed glass bottles and jars, food tins and drink cans, mixed paper and card and plastic bottles. We will collect within school but also welcome any recycling you would like to send in from home. Thank you to our Unicef Ambassadors who will be leading on this as we support the right for all children to live in a safe and clean environment.

### Local MP Visit to School

Thank you to Councillor Ian Byrne who visited the school last week and met with our Student Council. The Councillor was extremely interested in the vegetable plots we have established around the school. Thankyou to Mr Byrne who was more than happy to chat to the children about his role as an MP.
