

The Nursery team would like to welcome everyone to our school and a big welcome to our new families and children.

This week the children have been settling into their new classroom, exploring their new environments, in and outdoor, developing new skills and making new friends.

As the new term begins we will be spending time getting to know the children and settling them into their new routines. We will have fun finding out about their interests.

### Story of the Week

### Talking Homework

Please talk to your child about their first week and days in Nursery.  
You could talk about what they have enjoyed the most; did they have any favourite activities or make new friends?

### Magical Moments

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!

### Rhyme of the Week

#### Manners Matter!

(Sang to the tune of Frère Jacques)

Please and thank you  
Please and thank you  
We must say, we must say  
When we're given something  
When we're given something  
Everyday, everyday

Our topic this half term is 'Let's Explore!'

We will be learning songs, getting to know our school and routines.  
The children will also enjoy fun colour themed activities such as colour sorting matching and patterns.

## Magical Moment
