

This week we read the book 'Brown Bear, Brown Bear What Do You See?'

We loved predicting what animals Brown Bear was going to see and could recognise colours too! In the reading area it was lovely to see and hear children retelling the story using the puppets and a bear.

Our colour recognition skills have been great too. We enjoyed a colour hunt outdoors and joined in matching and sorting games in busy time.

Maths Party Day

On Friday we celebrated Maths Day and talked about how important maths is to our everyday lives. We started to learn how to create repeating patterns and practise counting through rhymes and story. Take a look at our Twitter page to see our activities and our amazing party hats!
