

We LOVED listening and joining in with our story of the week 'What's in the Witch's Kitchen?' There were lots of laughs and surprises on each page!

Our activities were based around Halloween, with slime and potions being a favourite. There were some really good drawings of what would be cooking in our Kitchen if we were the Witch.

Finally we continued to impress staff with our colour recognition skills in games and activities. Don't forget to take a look on our Twitter page @ListerinfN.

Story of the Week

Rhyme of the Week

Red and yellow and pink and
green

Purple and orange and blue
I can sing a rainbow,
sing a rainbow,
sing a rainbow too.

Listen with your eyes
Listen with your ears,
and sing everything you see,
I can sing a rainbow,
sing a rainbow,
sing along with me

Half Term.

In Nursery, we encourage the children to be independent wherever possible. Next week we would like you to support your child's self-help skills, in particular putting on their coat by themselves.

In Nursery, we teach the children to put their hood over their head first like a superhero cape, and then find their sleeves. It is a huge boost to children's self-esteem when they can do this for themselves!

If this is something they can do already, move on to zipping up their coat.

We are so happy and pleased at how well the children have settled into Nursery life. They are all happy, enthusiastic and we can't believe they have completed a term in school already!

Our next topic is 'Celebrations'. We will be celebrating Bonfire Night, learning about Diwali and finally preparing for Christmas. It is going to be another fun and busy term! Have a great half term everyone.

Magical Moments

If you would like to share your child's learning and achievement's at home with us, you can do this by uploading photographs or video recordings to Seesaw. Thank you!
