

We have also been reading another great story from the Large Family collection 'Five Minutes Peace'. This also helped with learning about the another room in a house – the bathroom. We talked about what we find in a bathroom and the different sounds we hear.

In Maths we sorted characters from our story of the week according to their size. We used language 'big, medium and small'.

We had another celebration in the home corner – a naming ceremony for twins! We wrote congratulations cards. Then we also had the experience of bathing them.

Story of the Week

Rhyme of the Week

Rock a-bye, baby,
On the tree top,
When the wind blows,
The cradle will rock.
When the bow breaks,
The baby will fall,
Down will come baby,
Cradle and all!

Homework

We also re visited our focus story 'Peace at Last'. We have loved joining in with this story pretending to be Mr Bear! This story also supports our learning with speaking and listening activities, such as recognising sounds in and outside of the house.

Listen carefully to sounds in the environment. What sounds can you hear around your home and on your way to school?

Magical Moment

If you would like to share your child's learning and achievement's at home with us, you can do this by uploading photographs or video recordings to Seesaw. Thank you!
