### This Week....

We have enjoyed a busy week in Reception. As part of our new topic 'Up, Up and Away' we read the story 'The Train Ride' by June Crebbin. We then wrote the story using adjectives and using repetitive sentences 'I can see...'. The children really enjoyed being authors and writing the story.

In our phonics we have been learning to read words with four graphemes. We have read words which include our digraphs such as shift, chest, shelf. We also learnt the tricky words some, come, love and do.

In maths we have been learning all about the composition of 6 for example, 5 and 1 makes 6. The children have enjoyed finding different ways to make 6. Challenge at home — can you use two different sets of toys to make 6 — show us on Seesaw!

In Yoga we met the orange bear who represented 'friendship'. We really enjoyed working with our friends to complete partner poses.

### **Daffodils Class Assembly**

Our class assembly will be on Friday 20<sup>th</sup> May. The children have all got a part and have been given some words to say. These have been sent home for the children to practice. Please see Mrs Mullock if you need a new copy.

## Star of the Week

Congratulations to our Star of the Week!

Bluebells: Jamie Royle

Daffodils: Joseph Fraser

### Class Photographs

On Wednesday 11<sup>th</sup> May the school photographer will be in to take class photos. We normally wear our PE kits on this day as we do yoga but for this Wednesday the children will need to wear their full school uniform.

# Biscuit Day

Next Friday it is Bluebells turn for biscuit week.

Please can each child from Bluebells class bring
one packet each. Thank you

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
