

This Week...

Reception have had so much fun in the sunshine this week! We have really enjoyed exploring the different areas outside such as the mud kitchen, the bug hotel and the water wall.

Check out the pictures on our Twitter page @ListerInf_Rec

In maths we have been ordering numbers from 1-10. We played lots of numbers and had to find the missing number in the sequence.

In our phonics we have been learning to read words ending in 's' and 'es', such as 'crowds', 'spoons' and 'dresses'. We have also been learning to read words longer words such as 'balloon' and 'frighten'.

We have written our own summer time poems this week. We spoke about what summer is and what we like to do when it is summer.

Reception Newsletter 24th June 2022

Word of the week

Hats and Sun cream

Please can we ask if you bring sun cream that it is labelled with your child's name. As it is getting hotter we advise children to bring a sun hat or cap with them for when they are playing outside.

Star of the Week

Congratulations to our Star of the Week!

Bluebells: Hollie Mawdsley

Daffodils: Samir Qalandari

Well done!

Hi Impact

This week we had a visitor from Hi-Impact who showed us how to create music using technology. We used a range of different apps to compose our own songs and find the rhythm in some nursery rhymes.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
