This Week....

We have really enjoyed our first full week in Reception. The children have settled in really well and we are so proud of them!

This week, in the continuous provision area. the children have explored colour. We explored colour and pattern in the funky fingers area sorting the pasta by colour and making colour pattern necklaces and sorted the fish by colour in the water tray. Lots of super learning taking place!

To celebrate 'International Dot Day' we created our own dot inspired artwork using a range of different materials such as corks, cotton buds and even our fingers!

The children wrote their first piece of news this week and they tried really hard with writing their names and drawing their pictures – amazing!

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!

Reception Newsletter 16th September 2022

This Week....

We have really enjoyed our first full week in Reception. The children have settled in really well and we are so proud of them!

This week, in the continuous provision area. the children have explored colour. We explored colour and pattern in the funky fingers area sorting the pasta by colour and making colour pattern necklaces and sorted the fish by colour in the water tray. Lots of super learning taking place!

To celebrate 'International Dot Day' we created our own dot inspired artwork using a range of different materials such as corks, cotton buds and even our fingers!

The children wrote their first piece of news this week and they tried really hard with writing their names and drawing their pictures – amazing!
