

This Week.....

We have started learning our letters and sounds and we are really impressing our teachers. So far, we have learnt s,a,t and p. We have been reading words like sat, tap and pat.

In maths, we have been learning about repeated patterns. We have extended patterns, created patterns and tested our friends. It has been great fun.

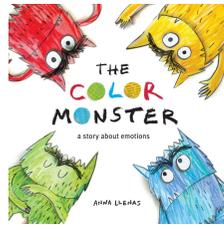

Don't forget to follow us on Twitter to see photographs of all our fun activities.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
