

This Week.....

We have continued learning our letters and sounds and we have learnt another 4 phonemes. We have learnt i,n,m and d. We have been reading words like dip, mat, tin.

In maths, we have been learning about 2d shapes. We have explored shapes in provision by sorting them, making pictures and models with them and talking about how many sides and corners they have.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Rosh Hashanah

The children enjoyed learning all about Rosh Hashanah. We enjoyed dipping apples into honey and wishing our friends a sweet new year. Shanah Tovah!

Reception Newsletter 30th September 2022

This Week's Book

Maths Party Day

The children enjoyed exploring how maths is used in different jobs. We enjoyed cracking the code by solving a pattern puzzle and we got to enjoy some special party cakes. We would love to hear how you use maths in your job or at home. Please share on Seesaw.

Star of the Week

Bluebells: Lola Leonard
Daffodils: Zack Smith

These children have been caught going over and above this week!

Update on Biscuit Money

Apologies for the confusion last week.

Friday is biscuit day where the children can buy two biscuits for 10p. All proceeds will go towards school fund and will be used to replenish reading resources. You can pay weekly or pay for the whole year at the school office. Thank you for your support.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
